2017 Theme

Sprayberry High School is known as one of the most diverse schools in East Cobb. Individuals most often think of race or ethnicity when considering diversity but it can mean many things: diversity of thought, diversity of experience, diversity of culture & religion, just to name a few. We believe Sprayberry HS offers a varied experience including all levels of diversity. How has the diversity you've been exposed to at Sprayberry shaped you? How has this experience changed you, if at all? And, how will this experience prepare you for what you do in the next phase of your life? Please provide examples when answering these questions. Good luck!

Please Note: PTSA Membership will be verified. Please print neatly.
